Other Agile Methodologies**

Aug 25, 2025

Mercy A

has successfully completed the online, non-credit Specialization

Scrum Master Certification

In this specialization, you'll learn about managing tasks and events within a Sprint, Scrum terminology and roles, Scrum reporting, and managing risks. We'll discuss Story Points and User Stories, scaling Scrum, Continuous Integration, test-Driven Development (TDD), and Behavior Driven Development (BDD).

LearnQuest's Instructor Network is comprised of professionals across hundreds of technology disciplines from around the world.

Jim Sullivan
Master Trainer and
Technology Practitioner

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
